

Summary of NSW Branch Operations Forum Meeting

23 November 2017

The meeting was attended by industry members from 10 rail transport operators, including rail infrastructure managers, commercial and heritage rolling stock operators, and maintainers and contractors. Representatives from the Office of Transport Safety Investigations and the Rail Tram and Bus Union were also present.

A presentation was delivered on ONRSR compliance investigations.

Members also discussed the RISSB Guideline, *Contracting in the rail industry*, and issues around the adoption of AS 7502: *Road Rail Vehicles*.

It was noted that the current membership term of the NSW Branch Operations Forum will expire at the end of this year. ONRSR will be calling for nominations for the 2018-19 term on the ONRSR website,

The forum next meets on 22 March 2018.
