

## **Summary of Sydney Operations Forum Meeting**

**25 July 2018**

The meeting was attended by industry members from 10 rail transport operators, including rail infrastructure managers, commercial and heritage rolling stock operators, and maintainers and contractors, and the RTBU.

Presentations were delivered on:

- the ONRSR Drug and Alcohol Management Review, Fatigue Risk Management Review, and Cost Recovery Review
- the Current Security Environment
- Rail Safety Work

Updates were also provided on proposed RSNL amendments, and the National Data Strategy.

The forum next meets on 22 November 2018.
