

Summary of Sydney Operations Forum Meeting

27 March 2019

The meeting was attended by industry members from 12 rail transport operators, including rail infrastructure managers, commercial and heritage rolling stock operators, and maintainers and contractors, and the RTBU.

Presentations were delivered on:

- Rail Safety Work
- ONRSR's Rail Safety Report 2017-18
- ONRSR Policy, Reform and Stakeholder Engagement Update

Updates were also provided on proposed RSNL amendments, and the National Data Strategy.
